

Commitment Contract

I, the undersigned, understand the importance of my full participation in all rehearsals and performances of the Sparkman HS Competition Band. I acknowledge and agree that the my attendance at each rehearsal and event is mandatory. This means that I, barring any catastrophic events, emergencies, or serious injury and/or illness, must be on time and fully present for each of the scheduled events as shown in the syllabus, calendar and website with all required items and/or equipment.

My personal commitment to the quality of our performance will also be displayed by my individual practice time. The success of all depends on the full preparedness of each individual. I am fully aware that if I display poor preparedness and progress at any point throughout the course of the year it could result in my removal from the Competition Band.

I also acknowledge the importance of proper behavior and positive attitude while participating in this organization. Improper behavior is not confined to simply being talkative or otherwise disruptive during a rehearsal. It includes, but not limited to, bullying, slanderous gossip, communications that perpetuates conflict between band sections and/or individual members.
