

Student Tribute Ads

Student Tribute ads are a great way to say what an awesome kid you have!!! Each year at the band banquet each student will get a Memory Book that has photos and memories of their year in band. The books are of no cost to the students. The kids really love them!

An example of an ad may include a recent photo, baby photo or any clip art you would like to use and some words of praise about your child. You can design the ad yourself or just turn in the artwork/photo and copy and we will design a special page just for you.

Please turn in all ad forms and payments no later than May 9. Payments can be sent in with students on collection dates or made at the Spring concert on May 9.

Send forms and photos or your created ads to Jennifer Gordon at 6gords@att.net.

If you choose to prepare your own ad, please email it as jpeg or pdf file.

If you send it in the wrong format it will be sent back and requested in the correct format.
