

Student Tribute Ads

Student Tribute ads are a great way to congratulate your student on an awesome year in band!!!

An example of an ad may include a recent photo, baby photo or any clip art you would like to use and some words of praise about your child. You can design the ad yourself or just email the digital photo(s)/artwork and we will design a special page just for you. **All photos and artwork MUST be in digital format. Please do not send more than 3 pictures per ad if we are designing the ad for you.**

Please email forms and photos or your created ads to BOTH Jennifer Gordon at 6gords@att.net AND Lara Daugherty at laradaugherty85@gmail.com

Please email all pictures and ad forms no later than May 10th. Payment can be made at the Spring Concert or F3 day but pictures and forms need to be emailed as soon as possible to allow plenty of time to design the book.

If you choose to prepare your own ad, please email it as jpg or pdf file. *If you send it in the wrong format it will be sent back and requested in the correct format.*
