

Hello Marching Senators family!

I'm Kevin, one of the band photographers, and I wanted to let y'all know about where to find band photos! There will be several photographers documenting the Sparkman Band at most games, competitions, and events. The photos will be available for everyone on SmugMug. These photos are very high resolution and can be downloaded for free and shared. Please read below for helpful information about how to use the SmugMug.

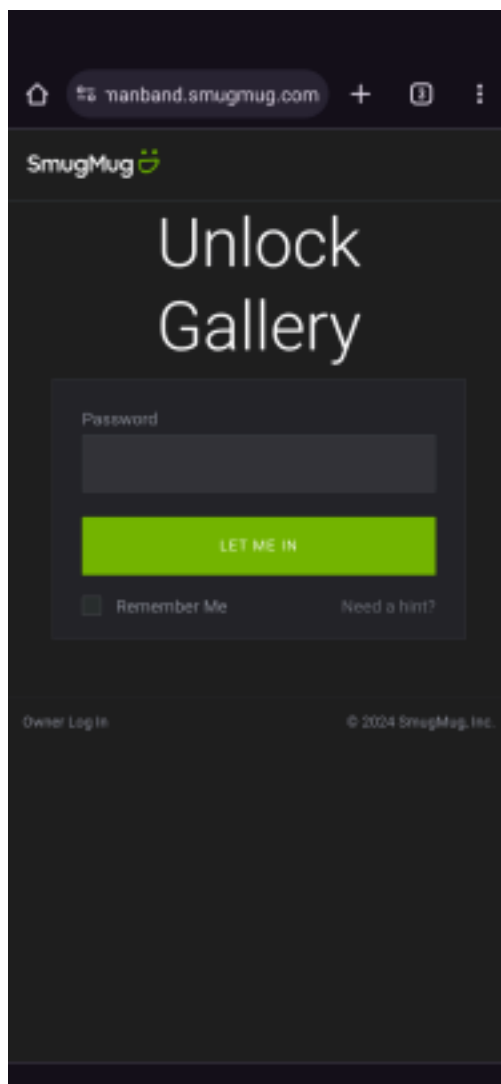

Where can you find your band member's pictures?

<https://sparkmanband.smugmug.com/>

There is also a link to the SmugMug account on the band webpage.

Is it password protected?

The site is password protected but it is easy. **The password has been sent out on Cuttime.**

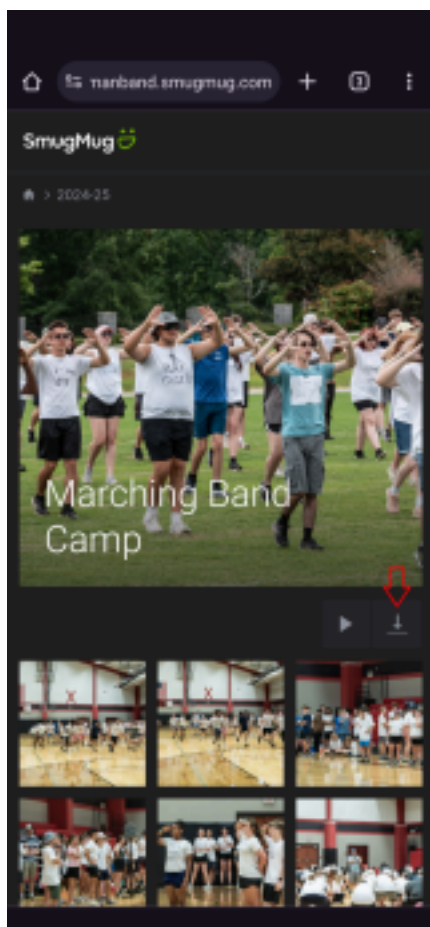

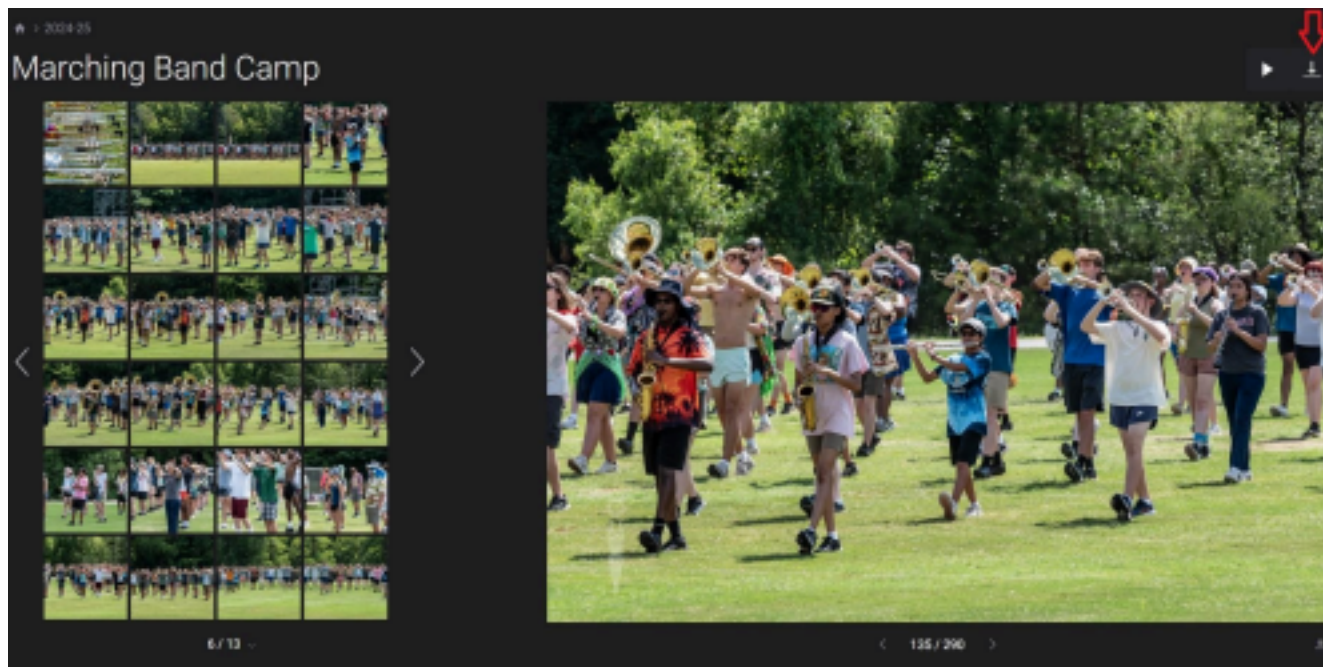

(Mobile view, but looks the same on computer screens).

How can I download the pictures?

There are two download options for pictures: whole album download or single photo download.

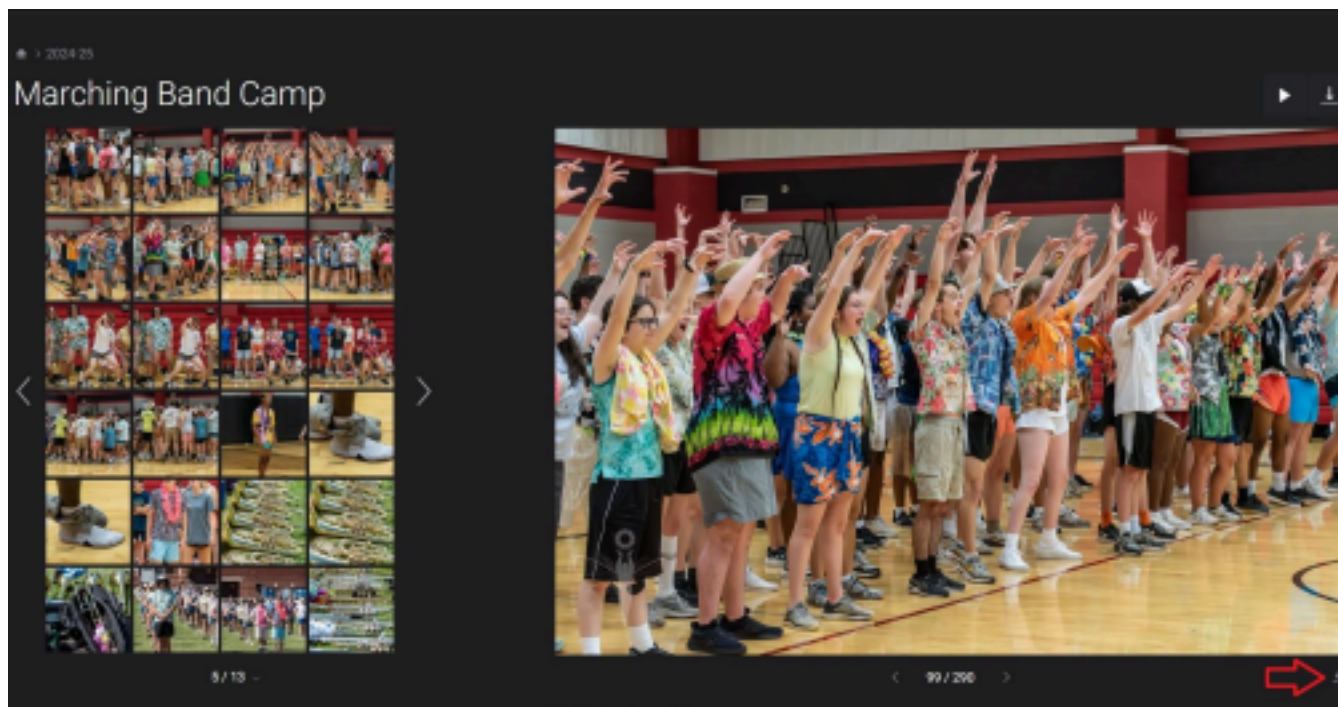

You can download the **whole album** of photos by clicking the arrow in the upper right hand corner of the screen (computer), or the arrow on the gallery page (mobile).

WARNING: Downloading the entire album will be **very** time and space consuming as the files are high resolution.

You can download **single photos** in the preview mode if you click the “down arrow” in the bottom

right-hand corner (computer), or on the bottom left (mobile). If you view the pictures one by one in the slideshow view (to do this click on a large photo in preview mode and scroll using the arrows on the sides of the image), you can download that picture using the “down arrow” on the upper left side.

For highest quality photos, please use the download tool! If you download using “right click” or “save as”, screenshots, or press and hold options on your mobile device, they are only high enough resolution to share on Facebook, etc. and not good for printing.

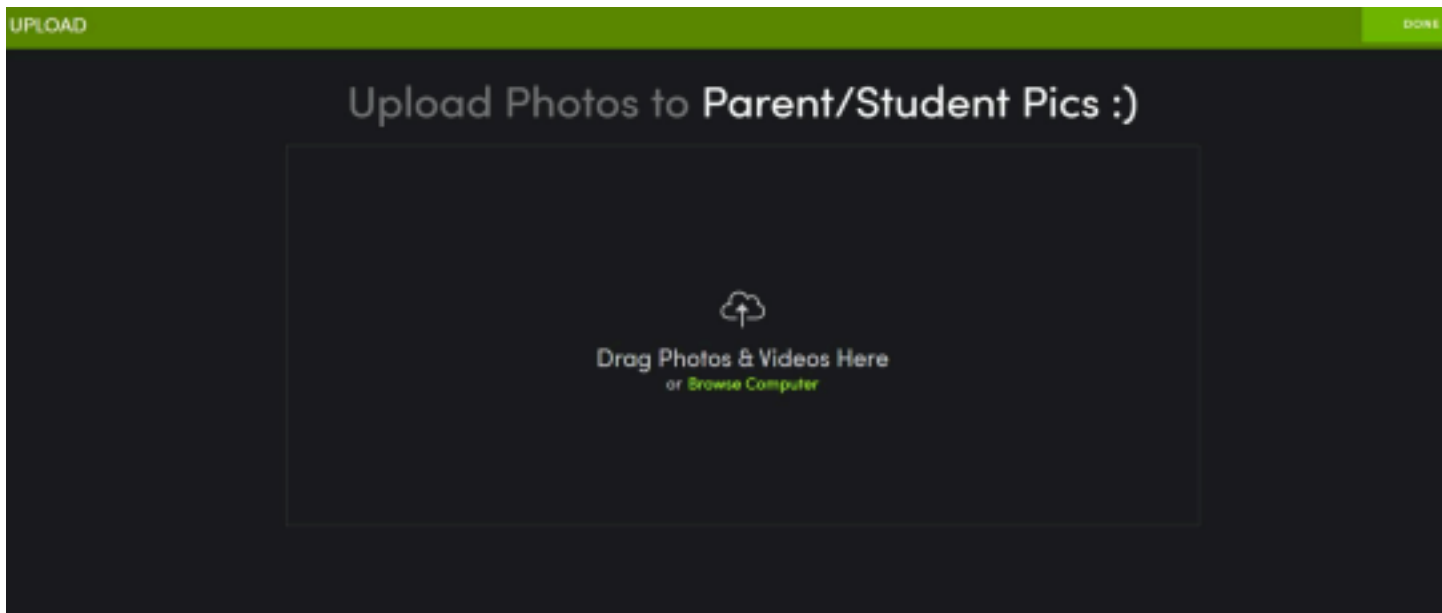

Can I share band pictures I’ve taken?

Yes! There is a “Parent/Student Pics” gallery so you can share your band photos if you’d like!

The upload link for this gallery is

<https://sparkmanband.smugmug.com/upload/vVtRqM/ParentStudentPics>

It’s easy to upload photos and videos to this gallery, and they are also password protected. Just go to the above link and choose what you would like to upload.

** Please **DO NOT** share videos of the competition show (here or other social media) until after competition season has ended.

Please keep photos/videos family friendly!

Who do I contact if I have picture questions?

You can email me at kevin@mcgrathimages.com and I will get back to you as soon as I can!
