

## Sparkman High School Band Prospectus

### **Please consider partnering with the greatest marching band and performance ensemble in Northern Alabama by helping us build our new semi trailer!**

The mission of the Sparkman High School Band is to foster character development in students using music through performance as the tool to build honorable and productive citizens. Whether it is on the marching field, in the concert hall, or in specialty groups such as Indoor Percussion, Winter Guard, or Jazz Band, the students, directors, and staff of the Sparkman High School Band show their talent, dedication, and character.

All donations are tax-exempt, and are held in an account monitored and administered by the SHS Band Boosters and Sparkman High School. We have several partner levels available to fit your budget. Thank you for your consideration!

#### **Why Support Music and the Performing Arts?**

- Your support will be seen by thousands as we travel in AL, GA, IN, KY, OH and TN
- Your partnership helps reach our program of approximately 250 students.
- There is a strong correlation between high performing students in the classroom and band students
- Belonging to the band promotes teamwork and develops a sense of community through practices, performances and camaraderie.
- The logistics to support a large program takes many volunteers and a semi truck and trailer to move all the equipment for each performance.

#### **Our accomplishments:**

- Ranked 1st in AL for Class 7A Bands in 2024
- Achieved a personal best ranking in the regional Bands of America competition (3rd place)
- In 2024, the #1 bassoon player in the state came from Sparkman Band
- 14 band students performed with the All-State band and 32 students were selected for the All-District honors bands
- All three of our concert ensembles received Superior ratings at the annual Music Performance Assessment
- Jazz Band received superior ratings at the State Jazz Adjudication for the 2nd year in a row.
- Outstanding performances for the 24-25 season gained the recognition of the local school board and financial support from AL Senators and Representatives

## How can we help?

- Donate to our SHS Band Booster Fund for Transportation Capital
