

# SHS Band Fundraiser and Concession Stand Agreement

Our band program does a lot of great and exciting things. Unfortunately, a lot of those things cost a lot of money. In order to make these fun and educational things happen for our students it requires fundraising. We do our best to alleviate your personal expenses when possible.

In order to make our program a success, we need EVERYONE in the band program to participate in fundraising. Throughout the year, we have some mandatory fundraisers and some non-mandatory fundraisers. Students are REQUIRED to participate in the MANDATORY fundraisers. We have a tentative outline for our 2025-2026 fundraisers, these can change but will help you understand your commitments for the year.

## MANDATORY FUNDRAISERS

- Concession Stand - Every band student is required to have someone represent them in the concession stand for one Friday night home game and one week night home event (JV or Middle School games)
- Fall Fundraiser - This will be announced over the summer
- Mattress Sale - All students are required to promote the mattress sale

## NON-MANDATORY

- Spring Fundraisers - These are student fee, optional fundraisers. Profits from these will be credited to student fees for the next year.

**I understand that all band students are required to participate in MANDATORY Fundraisers and Concession Stand events.**

**Not participating in the mandatory concession stand duties will result in your student not being able to participate in game night activities & will be assigned to work the concession stand in place of their parent/guardian.**

.....

**I acknowledge that I have read, understand, and agree to the terms outlined in the Sparkman Concession & Fundraising Agreement.**
